POPE FRANCIS PRAYED BEFORE K/C MARIAN PRAYER ICON
From January, 2019 Columbia Magazine

Pope Francis prayed before a framed icon of Our Lady Help of Persecuted Christians during an audience at the Vatican. The image was commissioned by the Knights of Columbus and is the centerpiece of the Order's current Marian prayer program. In his remarks, Pope Francis said, "May the icon of Our Lady of Persecuted Christians ... accompany your journey. Let us invoke together Mary's concern for the Church in the Holy Land and more generally, in the Middle East, together with her special intercession for those whose life and freedom are in danger."
