

2020 Waupaca Knights of Columbus Giving From Within

As we all can attest to, 2020 was a tough, and especially tough for all non-profit organizations, and very hard for our local Knights of Columbus chapter which is used to providing funds for many of our local non-profits. Because the Knights were unable to perform any of the activities that generate funds for donation, the Knights took up a collection within its members, and raised \$1100 that could be then distributed to the local organizations.

The list below identifies how the funds were distributed.

| | |
|--------------------------------|------------------|
| Foundations for Living | \$ 100.00 |
| Iola Food Pantry | \$ 250.00 |
| Waupaca Food Pantry | \$ 500.00 |
| <u>Scandanavia Food Pantry</u> | <u>\$ 250.00</u> |
| Total Donated | \$ 1100.00 |

Grand Knight Al Kraeger delivered all the checks personally, and we were able to get photos of someone representing each organization, except one.

Thank you to all the Waupaca Knights who were able to generously donate.
